Data shows the awarded price per dose (in US$) per product per supplier per calendar year, based on a multi year supply agreement.
Data shows most prices with CPT incoterms from 2001 - 2003; change to FCA incoterms from 2004-2006 onwards.
Where agreements include a range of prices during a calendar year period or for different countries or groups of countries, prices are shown as a range.
* Special terms apply
** Supplier has not agreed to the publication of prices.
